EMERGENCY TREATMENT & STABILIZATION CONSENT FORM

By signing this consent form, you acknowledge that your pet is needing emergency treatment and stabilization due to his/her current condition.

Emergency treatment and stabilization includes but is not limited to – CPR, intravenous placement, IV fluid therapy, radiographs, bloodwork, pain management, antibiotic injections, hospitalization and other life-saving medications/treatments.

Costs for emergency treatment and stabilization for your pet may range from \$500 - \$1300 depending on his/her needs. By signing this form, you acknowledge that you will be financially responsible for these treatment costs.

In the event, your pet goes into cardiac arrest and stops breathing during stabilization, do you wish for the Medical Team to begin CPR – please initial one:

_____ **YES – Please initiate CPR in the event my pet goes into cardiac arrest and/or stops breathing.**

_____ **NO – DO NOT initiate CPR** in the event my pet goes into cardiac arrest and/or stops breathing.
